(3mm inset)

Label Bleed: 150 x 67mm
(5mm bleed)

Artwork Notes

Ensure that all text and mandatory legal information appears within the typesafe area, indicated by the green line on the template.

All artwork is to be supplied with images embedded and fonts outlined.

Mandatory Legal Information

Please select the Legal Information from the colour variations (full colour, black or white) and configurations (centered or left aligned) below. This information must appear on all artwork and can be displayed in a horizontal or vertical format.
